

deAR SANTA

i arrived early and
need to spend my first
Christmas in hospital.
Please don't forget about me.

Nothing can prepare a parent for their baby arriving early, and this year many babies will spend their **FIRST CHRISTMAS** in hospital.

Could you donate a present to help make someone's Christmas special?

NHS
University Hospitals of Leicester
NHS Trust

Caring at its best

To donate a present to a baby on our Neonatal Unit
