## Same sex accommodation pledge

Your **privacy** and **dignity**,  
our **responsibility**

**privacy and dignity for all**

same-sex accommodation

At University Hospitals of Leicester NHS Trust we aim to care for patients in same sex sleeping areas.

## What does this mean?

As a patient, you will be cared for in one of the following ways:

A ward where men and women are in separate sleeping areas i.e. bays.

or

A single room

or

A ward that is only occupied by men or women only.

Toilet and washing facilities should be easily accessible and ideally, either inside or close to the ward, bay or room.

Separate male and female toilets and washing facilities should be clearly available.

## However

You may be accommodated in a mixed sex area within one of our emergency admission units for a limited time.

or

Within one of our specialist units, where your clinical needs outweigh all else.

**Please be assured that every effort will be made by staff to maintain your privacy and dignity at all times.**
