

DOCTORS MESS (UHL)

Dear Colleague

Welcome to the University Hospitals of Leicester (UHL) NHS Trust. We are sure you will enjoy working at this very friendly hospital. We are also sure there will be times when you will want somewhere to hide away when things get a bit too busy, or want a place to go for a chat, a cup of tea and a snack. Well the perfect place for this is the doctor's mess based on your site.

The Messes will provide daily papers, Sky TV, tea, coffee, bread, cereal, toaster, microwave and frozen ready meals. We organise social events (plus many other advantages depending on which site you are based).

All of this unfortunately does not come free. Currently we ask all junior medical staff to pay £10 a month. If you would like to join the UHL messes this can be automatically deducted from your pay cheque every month if you complete the slip below. If you do not wish to be a member of the mess delete section 1 of the form.

Please note non members will not be welcome in the Mess as it is unfair for non-payers to use the facilities.

Thank you and we look forward to seeing you.
