Important information to help you plan your visit to the clinic at Leicester General Hospital

Information for Patients

How to get to the hospital

Our aim is to ensure that there are car parking spaces available for those who really need to use them. We encourage you to use public transport or walk to the hospital if you are fit and well.

By bus: For information on bus routes and times contact Traveline on 0871 200 2233.

Our Hospital Hopper: This bus service links our three hospitals with Beaumont Leys Centre, Hamilton Centre, the Railway station and Jubilee Square (Park and Ride hub). The service runs every 30 minutes throughout the day. See our website for the timetable.

The nationally recognised concessions are valid on buses in Leicester including the Hospital Hopper.

By car: The hospital is situated about three miles east of Leicester city centre in Evington and is accessible from Coleman Road and Wakerley Road.

Drop off bays exist at the main entrances.

These have a 20 minutes maximum stay.

By ambulance: Patients whose medical condition prevents the use of normal private or public transport may qualify for patient transport to their appointment. Use of this service is subject to strict eligibility.

The ambulance service is only able to transport a companion when this is vital to the medical needs of the patient.

How can I make the most of my appointment? Make a list of any questions you need to ask. You are welcome to come with a partner, friend, family member or carer. You may also audio record your appointment.

Walking Aids: Please bring your own walking aids or wheelchair if you normally use these.

Limited pay and display parking is available on site. At peak times access can involve a period of queuing.

Marked disabled bays exist around the site. If these are full you can use any Pay and Display car park for free providing your blue badge is clearly visible.

Certain qualifying benefits, as notified by the Department of Social Security parking in hospital and external public

car parks. For more information, please contact the Cashiers office 0116 258 4890. If you are concerned about overrunning the limit on your ticket please contact the car park office on 0116 258 8281. On returning to your vehicle a car park attendant can assist you with use of the Pay and Display machine to pay any outstanding fee.

Buggy Service

There is a weekday Buggy Service that operates around the outside of the site between the hours of 9am and 4pm (subject to volunteer availability).

To contact the buggy on your arrival please call 07432 629 730 or ask for the buggy at reception.

Clean hands are safe hands

The best way to prevent the spread of infection is by cleaning your hands. The quickest way to clean your hands in clinic is by using the hand sanitiser

available. It is perfectly OK to ask staff to clean their hands before they examine you if you haven't seen them do this.

Medicines

Please bring with you all medicines you are currently taking, whether prescribed or purchased over the counter

(including any creams, inhalers or complementary medicines), in their original packaging.

Waiting times

Clinics may sometimes run late. Information on waiting times is available in all clinic areas. You may also ask a

member of staff for information about your appointment and the reasons for any delay.

Staff teaching and training

Doctors, nurses and other healthcare professionals are trained at UHL. With your agreement, a student may be

present during your appointment. If you choose not to take part in training activities your care will not be affected.

Recording your appointment

If you have a phone with audio-record please tell the Doctor that you want to record your appointment so that you

can listen to what is said again when you get home.

We value your feedback

Please **Share Your Experience** of your visit to the clinic using a touch screen survey device, available in all clinic areas and the main reception of the

hospital. This feedback will be used to improve the services we offer for patients, carers and families, and also build on things we are doing well.

Prescriptions

If you are given a prescription in clinic, it is important you take this to the right place to get your medication.

A white prescription:

Please take this to the hospital pharmacy (TrustMed). Local chemists cannot give you medicines with these. If you normally pay for prescriptions you will

need money. For some prescriptions a form of identification may be required. The main TrustMed pharmacy is next to X-ray at the end of the main corridor. There may be a delay whilst you wait at the hospital pharmacy.

A green prescription:

Please take this to your local chemist.
