University of Leicester

Events Square, University Road, Leicester

Saturday 7 July 2018, 11.00am - 3.00pm

FREE PARKING

Activities, displays, talks and fun family entertainment

The University of Leicester and the local NHS Trusts it works with every day would like to invite the Leicester community to attend a FREE Family Day at the University's main campus. We would like to raise awareness about the NHS and its wonderful gift to us, and encourage our children - the next generation - to value our healthcare system and support the NHS as it goes forward.

As well as music, food and a party feel, the event will have stalls, demonstrations and activities like:

- Relaxation and well-being for children
- Teddy Bear Hospital sessions
- Nutrition talks and demonstrations
- Enter Edem performers
- "Creation Station" crafts
- First aid and CPR demos
- Bouncy castles
- Mini-health checks
- Food, craft and charity stalls
- STARS Youth Choir
- Face-painting
- Bambino Disco

PLUS raising funds for our local NHS charities
