We are able to supply the Incremental, the Modified and the Endurance Shuttle Walk Test, on either CD or USB flash drive. They were originally developed for COPD and Cystic fibrosis. The test consists of audio files, with timed signals to allow an objective measure of exercise tolerance.

The references for the development of the tests are:

Please note that the above items are protected under copyright and may not be used for pharmaceutical company sponsored research without prior permission from Glenfield Hospital.

If your order is less than £50 please pay in advance by cheque made out to ‘UHL TRUST’ or by debit/credit card by entering your card details on the order form (please note payment must be made in GBP currency and we cannot accept American Express or Visa Electron). Your order will be dispatched as soon as we receive payment.

If your order is £50 or over and you wish to be invoiced, you must provide an official purchase order form containing the address for invoice and emailed directly to leslie.shortt@uhl-tr.nhs.uk.

Incremental SWT - 12 levels £35 + postage and packing
Modified SWT - 15 levels £35 + postage and packing
Endurance SWT - 16 levels £69 + postage and packing

We also supply The Self Reported Chronic Respiratory Questionnaire (CRQ-SR)
(Ref: *Thorax* 2001;56(12):954-9) £27 + postage and packing

We look forward to hearing from you.

Many thanks
Yours sincerely
